## 1 INTRODUCTION

The 23<sup>rd</sup> year of The Never Ending Tour swept through seven new countries and 23 new cities in Japan, Europe and the US with 102 new shows. Same band, same songs, only 5 songs were not played last year. No live debuts, no covers, no guests. Columbia/Sony continued the mining of Dylan's 1960s catalogue with the release of a box containing the first seven albums in mono and the 9<sup>th</sup> installment in the Bootleg Series collecting the Leeds and Witmark demos from 1962, 1963 and 1964. Nothing new here. Fortunately a new concert tape from Brandeis University 1963 was discovered and added as bonus to the Mono recordings box and/or The Bootleg Series release.
