I told him what it was about, it's about people who don't pay to get into places and, critics who don't pay to get into places. They then got the audacity to write things. BobTalk

Thank you! I wanna thank everybody. Alright, I wanna introduce my band right now. I'm very proud of my band. Bucky Baxter's playing on steel guitar and, and on the mandolin, Bucky's from St. Louis, Missouri. Alright! Alright, over on the guitar is Larry Campbell. Larry's from Roanoke ... a long way from where Mr. Garnier is. On the drums is David Kemper, he's been with me for a while, too. He's back there playing his heart out. On bass guitar tonight is Tony Garnier. And that's all there is to it. We wanna say thank you to those people back there ... all those people that paid to see you! (after Every Grain of Sand)
